Director's Meeting

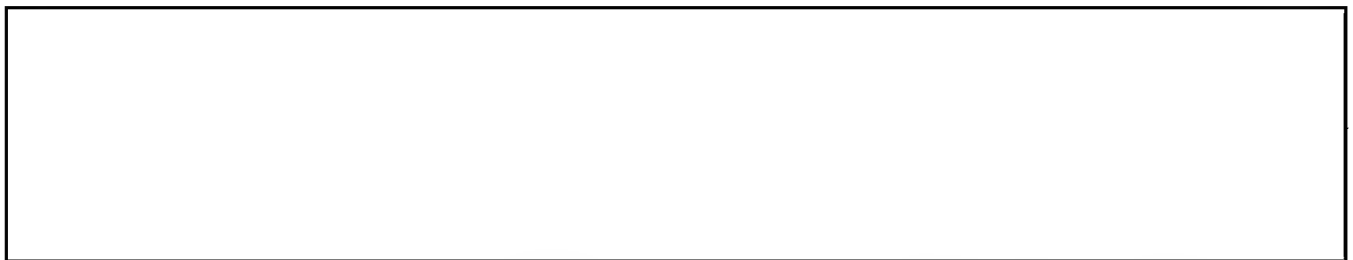

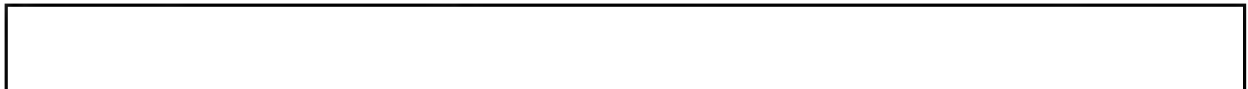

Wednesday, 10 October 1951

25X1

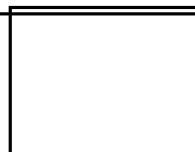

Mr. Dulles reported that Mr. Laughton and Mr. Statts of the Bureau of Budget would be here at 4:30 this afternoon for conversation with the DCI, D/DCI, and AD/RR.

Colonel [] brought up the question of briefing General Cabell's successor. The DCI states that General Cabell would bring him in in the near future. The DCI mentioned that General McNarey would be working for Mr. Harriman in the future. He may want a briefing on Soviet capabilities along the line of SE 16. Mr. [] will check with Mr. Kent and suggest that he do the briefing and call Colonel Beebe in Mr. Nash's office.

The DCI requested a report on the production of arms and equipment. Colonel [] will follow this.
